Let Mother Nature be the Executive Producer of your event, in this unrivalled outdoor space.

The Heart of the Bay is an elevated absolute beachfront expanse with 360° views encompassing Cape Byron, the Byron Lighthouse, Julian Rocks, Mount Warning and the hinterland.

Beginning with a blank canvas is powerful. But building your event on one of Mother Nature's finest masterpieces is inspiring.

Lush grass underfoot, sea breezes and the subtle rhythm of waves floating by - this is a sensory venue waiting to be customised by your vision.

Elevated, absolute beachfront venue designed by Mother Nature herself.
